City tense after miscreants vandalise 'Bharat mata' statue

Agra: Some unidentified persons disfigured a statue of 'Bharat mata' near the district court premises here on Friday, triggering howls of protest from right-wing Hindu groups that soon hit the city's streets to protest what they called a "grave provocation".

The vandals chopped off the left hand of the statue, which was holding the national flag. This is the second time in the past five years that the statue has been attacked.

The situation in Agra continued to be tense for the rest of the day. An FIR has been registered against unknown persons under section 295 of Indian Penal Code (injuring or defiling a place of worship, with intent to insult the religion of any class).

Police later draped the statue in a white cloth and cordoned off the area, leading to traffic jam on the arterial MG Road.

The vandals chopped off the left hand of the statue

"We have covered the Bharat mata statue with white cloth to prevent further tension. We request people to help maintain peace and abstain from spreading or li-

tening to any kind of rumour," deputy superintendent of police (DSP) and circle officer of Hariparvat, BS Tyagi, told TOI.

According to police sources, the statue was disfigured between 2.30am and 3am, when the lanes leading to Diwani Crossing are deserted. Since there is no CCTV camera around the statue, it is difficult to trace the accused.

Sunil Parashar, Agra unit president of VHP, said: "This is a grave provocation. It is also a condemnatory act meant to create disturbance in the city. Police should arrest the accused to curb tension."

Vivek Sarbhoy, a senior member of 'Adhivakta Parishad'— a lawyers' union—blamed the police for the incident. "It is the carelessness of Agra police which failed to ensure patrolling in the area. Since the elections are close, police should take extra measures to avoid such incident. The Bharat mata statue has been damaged for the second time," the lawyer said.

Cong, BSP unite to condemn attack, demand strict action

Agra: The Congress and Bahujan Samaj Party (BSP) condemned the vandalism of the statue of Bharat Mata installed near Agra district court and urged the city administration to take strict action against the miscreants.

Both the parties said the incident seems to be an attempt to create

atmosphere as the UP polls are around the corner.

District Congress Committee president said, "We give police two days to crack the case and arrest the accused failing which we will be forced to stage a protest in the city." "Miscreants try to spread communal tension in the name of religion, case and conversion when

the elections are nearing," he added.

BSP zonal coordinator for Agra and Aligarh zone, Sunil Kumar Chittor, said, "Police should inquire whether the miscreants involved in this act are associated with any political party or not. There is a need to install CCTV cameras in sensitive areas."
